

CRIMINAL LAW QUESTION

Angela, Brian and Carter were at Angela's house, drinking beer. They wanted to order a pizza and have it delivered, but they did not have enough money to pay for it. Carter suggested they order the pizza and grab it from the pizza delivery person without paying. Brian told Angela to call the pizza parlor. She did so and ordered a pizza, knowing she could not pay for it. Brian and Carter waited outside the house.

When the delivery person arrived with the pizza, Carter pulled a gun out of his jacket pocket. Brian had no idea Carter was carrying a gun. Carter fired the weapon into the delivery person's vehicle but did not hit anyone. Carter told Brian to grab the pizza and run. Brian was shocked by Carter's actions and did not move. Carter turned the gun on Brian and told him, again, to grab the pizza and run. Brian then grabbed the pizza, and Carter and Brian fled the scene.

Brian and Carter returned to Angela's house through the back door and all of them ate the pizza. Later, the police arrested Angela, Brian and Carter.

With what crimes, if any, can Angela, Brian and Carter reasonably be charged and what defense(s), if any, can each of them reasonably assert?

Discuss.
